

“Adapting To Vision Changes”

Tuesday ~ May 11th

PCCOA Senior Center

1:00pm

By: Pamela Rittenberry
Instructor/Coach
LifeRoads Inc.

Seniors with Low Vision challenges are growing at an alarming rate. One in four of those over the age of 65 are dealing with some measure of vision loss due to aging. LifeRoads background is in both Counseling and Low Vision Services, direct to communities, for more than 10 years. LifeRoads believes, that for many seniors, vision loss means living a lower quality of daily life.

LifeRoads provides information on adjustments and resources available and will give assistive aids to increase daily quality of life.

Everyone is invited to this free seminar.
